Dear Parents/Carers,

Following a somewhat turbulent start to the school year, you will be pleased to know that Mrs Martin has returned to school following a long illness. However, due to the longevity and nature of her illness, she is on a phased return to work and will not be in the classroom until the final week of this half term.

It is worth acknowledging how amazing the children have been during the first few weeks; they have settled incredibly quickly and engaged with their learning. The recent changes to the curriculum have raised the expectations for children's learning outcomes but one of the key contributors to children making good progress is a positive attitude towards school and their learning. We want Surfleet Primary school to be a place where children are proud to be and are motivated to learn. We want to encourage our children to be confident learners with enquiring minds and a love for learning. Our curriculum offers rich learning experiences and our teachers plan exciting and engaging lessons giving every opportunity for our children to achieve and succeed. You can help by:

- Talking positively to your child about school
- Encouraging them to read widely and discussing their reading with them
- Helping them to learn their times tables

A few gentle reminders...

Dogs

Please do not bring dogs on to the school playground. I recognise that they are family pets, but not every child is comfortable and confident with dogs; from a child safety perspective if you do need to bring your dog when you collect your child, please wait outside the school gates.

Fence

The fence either side of the school gate is perfectly safe but children should not climb on it. Please do not allow your child to climb the fence when they are arriving or leaving school.

After School Club

There is a small change to the after school club. It is now being run by Elite Sports Academy, the same organisation who run our after school sports clubs. There will be a range of activities on offer at the after school club and there will be no change in cost. Please call in at the office for further details or if you would like a place for your child.

Kind regards

Mr A Raistrick

Executive Head Teacher
