Homework

Maths or English based homework will be given out to all children on a Friday and should be returned by the following **Wednesday**. Spelling words will be set on Monday and tested the following **Friday** for all year 1 pupils. It would be helpful if you could support your child in learning these spellings. Children should read with an adult for at least 10 minutes at least **3 times** a week (this could include discussion of the text) Reading books will be changed as necessary.

P.E.

The children take part in **PE** on **Mondays** and **Thursdays**. Please help your child to have their full kit in school for the lessons. **PE kits are best to be left in school for the whole week.**

We are always pleased to see you to discuss your child's work. However, we do ask that unless you have some urgent information for the day, that you try to see us after school, when we will have more time to talk to you.

Class 1

Term 3 Information

Toys

Surfleet Primary School

Class 1 Y1 Term 3 2016-2017

Curriculum News

Maths

Read, write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) signs within 100, add and subtract one-digit and two-digit numbers to 100, including zero, solve one-step problems that involve addition and subtraction, and missing number problems, measuring and time, Doubling and halving.
