Dear Parents/Carers

The aim of our home reading is **not for children to read more difficult books as quickly as possible**, but rather to enjoy reading and being read to and practise some of the skills and strategies they have learned at school. Home reading should be a relaxed and enjoyable experience. If for any reason, you do not have time to share a book with your child one evening, please do not feel you have to rush to read it in order to change the book the next day. Feel free to keep a book and read it at a time that is relaxed and enjoyable for you and your child or re-read a book again if it has been enjoyed by your child. Children should also read a book more than once, even up to three times to consolidate their skills and become confident readers.

Kind regards

Mrs Baxter
