08 November 2017

Dear Parents/Carers,

SCHOOL TRIP FOR DARWIN CLASS

On 27th November 2017, I would like to take Darwin Class on a trip to National Space Centre in Leicester. This would complete our learning on Space, Greek Astronomy, Myths and legends and also provide great activities for interactive learning, as we move around the station. The trip would include a tour of 6 different galleries in the station, specific learning trails and an amazing Planetarium experience where children will travel through the sky at night.

Your child needs to arrive at school **for 7.45am prompt** as we are leaving school at 8am with the intention of arriving at the station for 10:15am. Our aim is to leave the station at 2:00pm to return to school for 4:00pm, however we would keep you posted on timings throughout the day. **If your child comes to school in the taxi, transport will not be available at this time so alternative arrangements would need to be made.** Please do not hesitate to contact me if you have any problems with transport.

This trip would be an incredible experience and learning opportunity. The children have worked so very hard on the topics involved and I would like to reward them with this trip. The cost is £16.50 per child and the full amount would be required by Wednesday 22nd November 2017.

Although the school has some money available to subsidise some of the trip and are more than happy to do so, should too few children pay, regrettably the trip would not be able to go ahead. We have used our class money to reduce the cost and hope that we will be able to go ahead. Thank you in anticipation of your support.

If you are happy for your child to attend, please complete the slip below and return to myself as soon as possible. All payments are to be made via Parentpay and no money should come into school please.

Swimming will not go ahead on this day.

Yours sincerely,

Sophie Ingle
Class Teacher
