

Dear Parent/Carer,

We have booked Professor Poopenshtinken to deliver an assembly on the 8<sup>th</sup> May to talk to the children about the exciting maths club starting in June. If you would like to know more about this after school club you can visit their website. Below is a brief newsletter with this information. You can also view this by video link at <https://magicalmathsclub.com/comingsoon>

Fantastic news...

Magical Maths is coming back to  
**Surfleet Primary School**

!Magical Maths is a super fun after school club  
designed to boost children's confidence and  
better  
engage them with maths.

The club runs for an hour a week after school  
starting **Monday 5<sup>th</sup> June 2017**

**With totally different content**

The club will run for 6 weeks. Each week has a  
different theme and includes dressed up  
characters including

Professor Poopenshtinken (maths genius), the  
Mathemagician, Stately Holmes (the maths  
detective) and the Olympic Mathletes!

Cost is £39 for the 6 weeks
