

SURFLEET PRIMARY SCHOOL

WEEKLY NEWSLETTER

Week Ending – 17th November 2023

Work Hard, Be Kind, Achieve!

What a busy week we have had at Surfleet Primary School!

As mentioned in the last newsletter, we attended the Remembrance Service on Friday November 10th at St Laurence's church. Alongside the Royal British Legion members, our children remembered and celebrated the lives of those that gave their lives for our country in past conflicts. This year, our children had much more involvement with Poppy art presented by Willow Class, an overview of the chronology of the two world wars with Maple class and thought-provoking poems from Oak class.

To complete the service, Oak class children visited the Surfleet memorial to pay their respects and lay wreaths on behalf of the school.

Once again, our children were respectful and responsible members of our local community, and the Royal British Legion were impressed with the quality of the work that had been produced.

This Week

Children in Oak class had the opportunity to attend Bikeability sessions provided by Outspoken! Training over three days. These important sessions aim to give the children the skills and confidence they need to be safe using their bicycles on the roads around our village and beyond. Being rural, many children use their bicycles to get around and this also presents another way to keep active and be healthy.

The two instructors were very complimentary about the exemplary conduct and positive attitude of all the cyclists. Needless to say that they all passed with flying colours! Now we hope that we will see some of our children cycling to school...

Very Thankful to Rooke's Pet Products!

The Wildlife Warriors have been busy getting the garden area ready for the winter months and the big leaf tidy up is in full swing!

The kind and caring Warriors are keen to help the many birds that visit our school during the most difficult time of the year but with very little money available they reached out to local businesses for help.

Imagine their surprise when Rooke's Pet Products kindly donated a £50 voucher, which Miss Thomson enjoyed spending on bird seed, peanuts, fat balls etc after the Warriors gave her a list!

We give a big shout out to Rooke's of High Street, Spalding with our thanks for such a generous donation.

STARS OF THE WEEK

WILLOW CLASS

- **Lilly A** for increasing confidence in phonetic skills which is supporting her to read fluently and accurately.

MAPLE CLASS

- **Olivia L** for her excellent efforts in her writing and being helpful to others.

OAK CLASS

- **Eli RC** for always making the right choices and being a role model for pupils younger than him.
