Work Hard, Be Kind, Achieve!

“Peace begins with a smile.” —Mother Teresa

Being part of a calm and peaceful community is very important to us which is why one of our school priorities is to recognise how we can be a valued member of our community. At this special time of year, it is easy to focus on what we think are the important things and lose track of what is really important – Be Kind. Work Hard. Achieve - always!

As we move fully into December, work continues in earnest to get ready for those magical parts of the school year: nativity, Christingle service, Christmas lunch and...the end of term (the most magical day?). In the meantime, we were so lucky to have just held our Christmas Fair.

A huge thank you must go to the PTFA who pulled out all of the stops to provide an enjoyable evening that was attended by over half of our families. Thanks so much to all of you who were able to attend!

A number of fun activities were on offer and we were treated to the choir singing to open the fair. It was particularly pleasing to see the jolly man himself in attendance and some children were fortunate enough to get an early visit in before his very long trip!

Aren't our PTFA amazing for securing such an important visitor at his busiest time of the year?

A special thank you must also go out to the Spalding Lions for being the 'go between'!
